

Local Demand Response Program Additional Contributors

Instructions

Please complete this form if you are listing more than 10 contributors in your Local Demand Response Program Participant Application. Submit this completed form, along with your main Participant Application, through email to local_dr@torontohydro.com.

Demand response (DR) information: Additional contributors

Contributor #11

Service address		
DR capacity size (megawatts [MW])		
DR resource type	Battery Load curtailment	Gas Other: _____

Contributor #12 (if applicable)

Service address		
DR capacity size (MW)		
DR resource type	Battery Load curtailment	Gas Other: _____

Contributor #13 (if applicable)

Service address		
DR capacity size (MW)		
DR resource type	Battery Load curtailment	Gas Other: _____

Contributor #14 (if applicable)

Service address		
DR capacity size (MW)		
DR resource type	Battery Load curtailment	Gas Other: _____

Contributor #15 (if applicable)

Service address		
DR capacity size (MW)		
DR resource type	Battery Load curtailment	Gas Other: _____

Contributor #16 (if applicable)

Service address		
DR capacity size (MW)		
DR resource type	Battery Load curtailment	Gas Other: _____

Additional contributors (continued)

Contributor #17 (if applicable)

Service address		
DR capacity size (MW)		
DR resource type	Battery Load curtailment	Gas Other: _____

Contributor #18 (if applicable)

Service address		
DR capacity size (MW)		
DR resource type	Battery Load curtailment	Gas Other: _____

Contributor #19 (if applicable)

Service address		
DR capacity size (MW)		
DR resource type	Battery Load curtailment	Gas Other: _____

Contributor #20 (if applicable)

Service address		
DR capacity size (MW)		
DR resource type	Battery Load curtailment	Gas Other: _____
