

Toronto Hydro announces new Chief Operating Officer

TORONTO, May 19, 2026 - Toronto Hydro Corporation announces that Guillaume Paradis, P.Eng., has been named Chief Operating Officer effective June 29, 2026. Mr. Paradis replaces Dan Smart, who has served as Interim Chief Operating Officer over the past several months.

Mr. Paradis brings two decades of progressive leadership experience spanning Ontario's energy and utilities sector, including most recently at Hydro Ottawa as Executive Vice President, Distribution, Generation and Chief Operating Officer. He holds a Bachelor of Applied Science in Electrical Engineering from the University of British Columbia and is a Professional Engineer (P.Eng.) in Ontario.
